THE UNIVERSITY OF TEXAS AT EL PASO

RESULTS OF SURVEY ABOUT UTEP STUDENTS' PARKING BEHAVIOR

Conducted SPRING 2019

1022 PARTICIPANTS
533 PERMIT HOLDERS

86% Full-time

CLASSIFICATION

- Freshman: 9%
- Sophomore: 20%
- Junior: 32%
- Senior: 27%
- Graduate: 12%

TRAVEL TO CAMPUS

HOW?

- 80% drive
- 8% walk
- 6% carpool
- 5% transit
- 1% cycle

WHEN?

- 27% (<15 min)
- 61% (<30 min)
- 79% (<45 min)
- 90% (<1 hour)

PERMIT TYPE

- 41% "perimeter"
- 35% "garage"
- 15% "remote"
- 6% "silver"
- 3% "others"

20% use shuttle bus service

FACTORS INFLUENCING PERMIT PURCHASE

1. 40% "cost of permit"
2. 25% "walking time"
3. 19% "ease of finding a spot"

29% park in neighborhood and walk to campus

MOST PREFERRED TECHNOLOGICAL SYSTEMS

#1 PERMIT SALES
- make permit sales year round and purchase as easy as buying a concert tickets or booking hotel room online

#2 FLEXIBLE ZONE
- allowed one permit to park in multiple lots

The project is funded by C2SMART (U.S. Dept. of Transportation Tier 1 University Transportation Center) C2SMART
