

## University Transportation Centers Program Performance Indicators

**UTC Name:** Connected Cities for Smart Mobility toward Accessible and Resilient Transportation (C2SMART)

**University:** New York University

**Grant #:** 69A3551747124

**Reporting Period:** 11/30/2016 - 9/30/2017

| Performance Indicators  | Consortium | New York University | City College of New York | Rutgers, The State University of New Jersey | University of Washington | University of Texas-El Paso |  |
|---|------------|---------------------|--------------------------|---|--------------------------|-----------------------------|--|
|   | Total      | NYU                 | CCNY                     | Rutgers                                     | UW                       | UTEP                        |  |
| <b>1. Number of transportation-related courses offered during the reporting period that were taught by faculty and/or teaching assistants who are associated with the UTC</b>   |            |                     |                          |   |                          |                             |  |
| Undergraduate courses   | 9          | 4                   | 0                        | 1   | 3                        | 1                           |  |
| Graduate courses  | 39         | 24                  | 2                        | 2   | 6                        | 5                           |  |
| <b>2. Number of students participating in transportation research projects during the reporting period funded by this grant</b>   |            |                     |                          |   |                          |                             |  |
| Undergraduate students in research  | 8          | 6                   | 0                        | 0   | 0                        | 2                           |  |
| Graduate students in research   | 31         | 12                  | 5                        | 8   | 3                        | 3                           |  |
| <b>3. Number of transportation-related advanced degree programs that utilize grant funds during the reporting period to support graduate students</b>   |            |                     |                          |   |                          |                             |  |
| Masters level programs  | 5          | 2                   | 1                        | 1   | 1                        | 0                           |  |
| Doctoral level programs   | 4          | 1                   | 1                        | 1   | 1                        | 0                           |  |
| <b>4. Number of students supported by this grant during the reporting period</b>  |            |                     |                          |   |                          |                             |  |
| Undergraduate students  | 1          | 1                   | 0                        | 0   | 0                        | 0                           |  |
| Masters students  | 8          | 4                   | 0                        | 3   | 1                        | 0                           |  |
| Doctoral students   | 13         | 6                   | 0                        | 3   | 2                        | 2                           |  |
| <b>5. Number of degrees awarded during the reporting period to students supported by this grant</b>   |            |                     |                          |   |                          |                             |  |
| Undergraduate degrees   | 2          | 0                   | 0                        | 2   | 0                        | 0                           |  |
| Masters degrees   | 3          | 2                   | 0                        | 1   | 0                        | 0                           |  |
| Doctoral degrees  | 1          | 0                   | 0                        | 1   | 0                        | 0                           |  |
| <b>6. Number and total dollar value of research projects selected for funding during the reporting period using UTC grant funds (Federal and/or Recipient Share) that you consider to be applied research and advanced research</b> |            |                     |                          |   |                          |                             |  |
| Number of applied research projects   | 8          | 5                   | 1                        | 1   | 0                        | 1                           |  |
| Dollar value of applied research projects   | \$ 927,316 | \$ 369,679          | \$ 97,637                | \$ 250,000                                  | \$ -                     | \$ 210,000                  |  |
| Number of advanced research projects  | 3          | 1                   | 0                        | 0   | 2                        | 0                           |  |
| Dollar value of advanced research projects  | \$ 396,558 | \$ 119,058          | \$ -                     | \$ -  | \$ 277,500               | \$ -                        |  |
